

## SPECTRA VENTURA 200T WATERMAKER

### PRODUCT SPECIFICATIONS

|                           |   |
|---------------------------|---|
| Production / Day          | 200 gal (757 l)   |
| Production / Hour         | 8.3 gal (31 l)  |
| Power Requirement         | 12v DC 10A / 24v DC 5A<br>14.5 Watts/1 gal 4 Watts/1 liter                  |
| Weight                    | 60 lbs (27.7 kg)  |
| Pre Filters               | 2.5"x10" pleated polyester 5 micron<br>2.5"x10" pleated polyester 20 micron |
| Controls                  | Analog controls   |
| Installation Requirements | Dedicated thruhull, dry and well ventilated area not to exceed 110F/37C     |
| Membranes                 | 20" x 2.5" High rejection spiral wound polyamide                            |
| Pump and Motor            | Shurflo diaphragm pump  |
| Salt Rejection            | 99.2%   |
| Temperature Range         | Max 110F/37C Min 36F/2C   |
| Baseline Conditions       | 33,000 PPM feed water at 77F/25C  |
| pH Range                  | 3-11 (typical seawater pH is 8)   |
| Chlorine Tolerance        | 0 PPM   |
| Warranty                  | Spectra standard warranty   |
| Shipping Weight           | 80 lbs (36 kg)  |
| Shipping Dimensions       | 33"x25"x19"<br>84cm x 64cm x 49cm   |

### FACTS

The Ventura 200T is the same size and configuration as the Ventura 150, but uses a higher displacement Clark Pump to produce more water. This allows it to operate in warm waters above 50F (10C), delivering over 8 gallons (31 liters) per hour. With its modular design, it's an ideal system for installation in tight spaces whether you're cruising, fishing, or racing. Simple analog controls and gauges display the feed water pressure and the product flow meter. A hand-held salinity monitor and a three-way valve for product water testing are included.

### FEATURES

- Simple analog control panel
- Compact modular design
- Spectra's unique Clark Pump for efficiency and reliability
- Low power consumption, can be run on batteries, solar, or wind power
- Whisper quiet
- Commercial grade diaphragm pumps with run dry protection
- System includes installation kit, handheld water quality tester, and product sample valve
- Z±ION Compatible
